SYRUP PECTORAL

ö

ILPI INVITE ATTENTION to some of th PECTORAL SYRUP.

They are at home, and any one who has doubts can i uire of the person who have been cured by it. DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years tanding cured by DR. KEYSER'S PECTORAL SYRUP

DR. KEYNER:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in yiolence. The complaint has been hereditary, and abo violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose \_I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

PITTERURGH, Nov. 18, 1858,
DR. Kryser:—Although not an advocate of Patent
Medicines, in general, it affords me pleasure indescriba
ble to recommend your Fectoral Syrup. As a medicine
it is well worthy the attention of any person who may in
any manner be afflicted with soughs, colds and hearseness
of any blod, and for the peculiar qualifications for removing all that disagreeable sensation attending a serere cold.

moring all that dangereachs sensets astering a vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Citizens' Deposit Bank.

STEURESVILLE, O., March 14, 1859

of several years standing, and can cheerfully say it is
the best medicine for the same that I have ever taken
J. W. PRICE.

COL. PRATT AND DR. KEYSER'S PECTORAL SYBUP.—Dr. KEYSER—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. Risnocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-balf of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I sm confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

N. B.—I am no stranger to my fellow-citizens, and who entertain doubts can consult me personally.

PITTERURGH, April 24, 1857.

READ THE TRUTH.—Dr. Kryesz: I have a daughter who has taken several medicines for a had cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny. PITTSBURGH, December, 31, 1853.

A GREAT CURE BY DE, KEYEER'S PROTORAL BYBUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acoust the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had

SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and splitting. I had despaired of ever getting well, and I think it should be thown that this valuable remedy will do for others what t has done in my case.

Witness—B. M. KERR. Peebles townhip. PATTON TP., April 14, 1857.

A WONDERFUL CURE.—Some time ego, an old neighbor of mine was very ill; with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrap, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN BLAIRS DR. KEYSEE'S PECTORAL SYRUP IN BLAIRS-VILLE,—Flease send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles is at week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CERTIFICATE—DR. REYSEL'S TECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so bad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Bigned.

J. W. SIMONTON.

296 Liberty street, Pittsburgh, Pa., Jan 9, 1860. "STOP THATCOUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, smilish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of thring of out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood Bt.—procured a fifty can bottle of the "Fectoral;" took it according to directions, and inforty-eight hours we ware master of the field, the enemy having uncenditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drounsellie Chipper, Dec. 14, 1859.

DEAR MADAN:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established by the unanimous voice of all who have ever used
it, that I need not say anything on the subject, as the
most skillful physicians and the most careful Druggists in
the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I
do it with a full knowledge of its curative power, in relieving all, and curing most of those discases to which
you are unfortunately so liable. That most excruciating

For want of r. urishment your system becomes loose and flabby, and the fibres of your body be come relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to CURE; Palpitation of the heart, pain in the side, weakness of the spine and amail of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury. THE MEDICAL DISCOVERY especialy intended for diseases of the blood, but since introduction in the Western States, it is found to be AGUE REMEDY

Imparting to it an unequied gloss and brilliancy, making it soft and silky in its texture, and causing it to cur' readily.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleaness the head and scalp from dandruff and other cutaneous diseases, causing the hair to grow luxuriantly giving it a rich, soft, glossy and fierible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become baid, causing it to yield a resh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have falled. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redsectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to to organal hue, giving it a dark, glossy appearance. As a perfume for the tollet and a Hair Lestorative it is particularly recommended, having an agreeable fragrance; and he great facilities it affords in dressing the hair, which, when moist with the Invigorator, can be dressed in any required form so as to preserve its place, whether plainfor in carist hence the great demand for it by the ladies as a standard tollet article wheh none ought to be without, as the price places it within the reach of all, being Only Twenty-Five Cents
